I.BACKGROUND:

There is an urgent need to bring about greater productivity and professionalism in the functioning and governance of the state PSUs. Both the productivity and professionalism are subject to the capacities and motivation of employees in the process of revenue generation and contribution to the State welfare. Currently, the State Public Sector Enterprises are undergoing change. With the ongoing reform process under the Asian Development Bank assisted programme undertaken with the Finance Department as the nodal agency, it is felt that an understanding and insight into the relevant issues related to appropriate functioning of PSUs and fostering a professional attitude in keeping with the corporate world is necessary. In these times of globalisation and world wide economic changes, the educated and motivated personnel of the PSUs must march ahead and acquire higher skills and qualifications and exposure to the recent remarkable changes taken place in industry, trade and commerce etc. The rapid changes seen in the social and economic conditions with in the state and outside, demand the active involvement of the employees of the State PSUs to adapt, create and generate resources for the overall improvement and managerial success of the PSU to contribute the state.

II.OBJECTIVE

The objective is to improve the performance of the SLPEs through capacity building of human resource by way of providing an opportunity to pursue further education and learning leading to (i) Two Years Masters degree, (ii) One Year Post Graduate Diploma (iii) Short term Certificate programme in any field of relevance.

III. CATEGORIES OF PROGRAMMES COVERED UNDER THE SCHEME

- a.Long Term In-service Programme (LTIP) leading to either Two Years Masters Degree or One Year Post-Graduate Diploma in the specified fields at Academic Institutions.
- b.Short term In-service Programme (STIP) of relevance.

IV. LONG TERM IN-SERVICE PROGRAMME
